“ *I loved the time I got to spend with Judy. I had the opportunity to pick her up and take her to some of her appointments and she was such a sweet woman. She was funny and so very kind. My daughter Aella loved her in only the couple short trips she spent with her, and that fills my heart with joy. I regret that I did not read out to her again before her passing, but she is finally at peace and no longer suffering, so there is some peace for me in that. Just was so special, she will be loved and missed forever.*
