“ *I will always remember Julie from my Payless days. She was my "Payless Momma". She taught me so much and was always there for me. She was even there for me in September when my money passed. She was an incredible person with a love for life. She was a fighter. You will be missed Jewels ♡ I am sending prayers of love and comfort to your family.*

“ I've been searching for Julie on Facebook with no luck...and then I saw her obit....very sad to hear this news. Although I haven't seen Julie in many years, she was my friend in Kearns....I pray her family finds comfort somehow.

We had a lot of fun when we were young. I wish I had been able to find her sooner.

God bless you Julie....may you find peace. ♡
