

Julie S Lambert

August 7, 1945 - August 27, 2021

Julie S. Lambert was able to overcome many health issues in her later years, but sadly, COVID was not one of them. She passed away peacefully on August 27, 2021. She was born to Lovell and Henry Smith on August 7, 1945. She will be missed by her husband Robert, who was a faithful and dedicated caregiver to her as her health declined. She will also be missed by her children and their spouses: Mark (Shanna), Chelle, Jay (Kayleen), Robyn (Mike), Allen (Julie) and Keri (Todd), and her sister Myrna. She was preceded in death by her son Brent, her grandson Kayson and her sisters Kathryn, Nola, and their husbands.

Julie had an army of grandchildren that brought her much joy and provided her with cooking and crafting buddies in endless supply. She was also blessed to be able to meet and hold her first great-grandchild. Julie was a crafter in the first degree and was an accomplished knitter, crocheter, scrapbooker and quilter. The only thing she maybe loved more than crafting was shopping. Julie was also an active member of the Church of Jesus Christ of Latter-Day Saints and served faithfully in many callings. Among other jobs, she worked for and retired from the Church and made lifelong friends during her tenure there. While we are sad that Julie has departed from us physically, we know that there was great rejoicing in heaven as she was welcomed by her loved ones. We take great comfort in the fact that she is free of her aging mind and body and is able to feel useful once again.

“ *I remember Julie as a fun-loving and very talented wife and mother. She organized a "dinner club" with a few of her neighbors; and, with few exceptions they have met, and continue to meet, monthly for 45 years. Whatever she chose to put her mind to, she would her best effort.*

Aunt Julie gave the most thoughtful and beautiful handmade gifts. When my two sisters and I were small, she knit three identical flowered cardigans for us. We wore them for years! When I was in fifth grade, she custom-made a pair of jeans for me and embroidered my name on the back pocket. I loved them! When I was in middle school, she did some sleuthing to find out the school colors (my math teacher was in her ward) and knit me a pair of leg warmers, which were the great gift for an eight grader at the time! She was a super talented and generous woman.
