“ *Kathlene or “Aunt Kene” as I knew her was always such a joy to be around. What a loving, sweet, and cute personality. Her nature for serving others was such an example to me. Her love for teddy bears, Winnie the Pooh, sewing, and anything crafts was HUGE. I will always remember having her at our home every single Christmas Eve to Christmas Day. The best part of Christmas was watching Aunt Kene & Uncle Will open their presents. Boy, she’ll be missed this Christmas and every Christmas. I love you so much aunt Kene!!!!*

“ I am Tom Andreasen, cousin of Kathlene. I grew up in California and spent a few years of Kathlenes life knowing her as a young child. We swam together in the family pool and had many good memories of family gatherings until her family moved to Utah. We spent time at family reunions visiting her and her husband William later in life. She loved everyone she met and always had a smile for you. She will be missed by her family and friends. God Bless You Kathlene. Love Tom

“ I am Tyson Clair Price. I currently work at Deseret Book, and I worked with Kathlene at Deseret Book and at Church Distribution, from June of 2009 until her passing. Kathlene was a very nice, Christlike, and good person. I know that she is still living, and that she is living in The Spirit World, beyond The Veil, in Spirit Paradise/Heaven, and she is living with and spending time with Heavenly Father/God, Jesus Christ, her Mother, and her loved ones, who passed away, before she did, and that she is serving a mission, on the other side of The Veil, and that the day will come when we will see her, again. She was a sweetheart. She was honest. She was always happy and she was very close to Heavenly Father/God, through everything she did and said. We can pray for her, because The Spirits, in The Spirit World, needs our prayers. She will pray for us, because I believe that The Spirits, beyond The Veil prays for us. She will be our Guardian Angel, and will be with us, at the times we need her most. I know that Heavenly Father/God, Jesus Christ, The Holy Ghost, and Kathlene lives. They love us. They will always love us. They are and will always be our best 4 Friends that we will always have. We will see them, again. Move forward with faith in Heavenly Father/God, Jesus Christ, and The Holy Ghost and smile and be happy and be kind with everyone and be Christlike and come closer to Heavenly Father/God, through everything you do and say, and do good things, and the peaceful, happy, calm, safe, good, and protected feelings, you will feel, when you do the things I told you to do, will be Heavenly Father/God, Jesus Christ, The Holy Ghost, Kathlene, and your loved ones, who passed away, telling you that you are doing what is right and telling you to keep on doing what is right. Thank you. Thanks. Have a GREAT day and night. I love you. If you need any help or service, from me, or if you need any more advice from me, let me, Tyson Clair Price, know. You can email me, at tysonjazzprice@gmail.com Bye.

“ *I am so saddened of the news of Kathleen's passing. Though I have not been in touch with her for many years, I used to work with her at the O.C. Tanner company. She was always so happy and pleasant & just a joy to work with. My thoughts & prayers are with her family & friends. May she rest in peace.*
