“ *An always gentle always genial man was he. I was lucky enough to call him uncle. We had some great guffaws. I only ever saw him lose his temper once—only when the shenanigans were getting serious. “Love” to the Miller family.*

“ *Kathy and family, we send our love and sympathy. I am so glad that I was able to be with you at Wayne's brothers funeral. We wish we could come up for Wayne's services but due to health issues that is not possible.*
We love Wayne's laugh and all the great times we had together.
