

Kevin Brent Condra

June 9, 1966 - June 25, 2024

“Time for Peace”

After a long battle with the horrific disease of ALS, Kevin and his family are finally at peace. Kevin’s life wasn’t about accolades and that’s not how he wanted to be remembered. Quite simply he wanted to be remembered for making a difference. A difference with his family, friends, and colleagues.

“Life will go on and for my family I will miss you dearly.” He is survived by his wife, Jonel and two wonderful sons, Nick and Zach as well as his mother Judy Condra and his sister Katrina Blake. He was preceded in death by his father Phil Condra. He has many friends and colleagues who have supported him through this battle.

“Thank you everyone for all your support for my family since my diagnosis.”

A very special thank you to his wife Jonel for being by his side through all the bad times since his diagnosis.

Time now to enjoy a good laugh, a good memory, Diet Coke, a hug, and Utah by 5.

Until we all meet again, life is too short so please get going with living it to the

fullest.

Love you always, Kevin

“ Kevin and I went to highschool together and he made classes like German and Auto much more bearable. Such a kind and funny person. I'm so sorry to hear of his passing and pass on my heartfelt condolences to his family.

“ I'm so sorry to hear about Kevin's struggle with ALS. Yet I am happy he is free from suffering--I do believe he has reunited with his earthy father and his heavenly Father in heaven. His smile says it all. I worked with Kevin in SLCo Health Dept. for a number of years and found him to be one of the best supervisors I ever had. His door was always open to brainstorm work challenges, personal struggles, and celebrations. He has left quite a hole in the hearts of those who knew him. He will be truly missed. My thoughts and prayers go out to Jonel and his family. Carol Avery
