

Kim J Whetstone

October 14, 1957 - January 3, 2023

On January 3rd a beautiful soul left this earth while surrounded by family at the age of 65. Kim Whetstone of Spring Creek, NV passed away in Salt Lake City, UT.

Born to Toby and Sharon Brown in Minnesota she was the eldest of four children. Kim lived in various places throughout her life, the majority of her life being in Colorado and Nevada. Kim married Kenneth “Red” Whetstone in 1980 and together they had three children and eight grandchildren.

Kim was a loving wife, mother, grandmother, daughter and sister. Kim loved her family more than anything; she was a very involved mother and grandmother. She had the kindest heart a person could have and she passed that kindness down. She always said “do onto others as you would want done to you”. She was always there to help anyone in need and was the first to forgive.

Kim was very well known for her practical jokes, generous spirit, kind heart, love for her family, and her stubbornness. She loved reading and gardening; and would spend most of her free time tending to her flowers and vegetables

(that she never would eat) and battling gophers.

Kim is preceded in death by her husband of 40 years, Red, and her father Toby.

Kim is survived by her three children: Jaclynn Whetstone, Jessica Geuke (Heath), and Justin Whetstone (Johnna); her eight grandchildren: Jacob, Melanie, Adrian, Brody, Chelsea, Ryder, Lucas and Carter; her mother Sharon Brown; her three brothers: Kelly (Brenda), Kory, Kyle (Cherise); and several nieces and nephews.

There will be a celebration of life held for Kim and Red at the place they met - on January 21st, 2023 in Rangely, CO at the Ace Hi from 1p-4p. Any and all are welcome!

“ *Kim will always be in my heart.*

We have fond memories of the family's time in Minnesota. Our families are all the same age, so all the kids had plenty to do and friendships to form. Kim often was the leader of the group with the best game to play. She grew into a lovely lady with a kind heart, a great sense of humor, and an awesome sense of responsibility to her family.

One of my favorite memories of Kim is when I had the opportunity years ago to spend some time in Rangely with her mom and visit with Kim and her family on a daily basis. She and Red were the only ones who had cable TV installed, so they would invite us over to watch a movie and enjoy their hospitality and practical jokes. Her memory lives on ~ In deepest sympathy ~ Jack & Jane Hillstrom

“ *Our heartfelt condolences to the family. We loved having Kim (and Red) as a neighbor. We enjoyed watching her tend her gardens and swapping some neighborhood gossip. We will dearly miss her. And what a great photo...so pretty.*
