

## Kori Lyn Brown

September 25, 1963 - July 9, 2018

Kori Lynn Brown passed away at the too young age of 54 on Monday July 9th in the ICU Unit at Huntsman Cancer Institute of Metastatic Breast Cancer. Her devoted husband, Dennis, by her side until the very end. Our beloved wife, daughter, mother, sister, grandmother, and aunt had been bravely fighting this awful disease since March of 2017.

Kori was born September 25, 1963 to Andy and Dee Horn in Tracy, California. She went to Trinity High School. She married Gene Baily and had 4 children. They later divorced. She then married Dennis Brown on September 6th 2014 and they enjoyed 4 beautiful years together in Farmington, Utah.

Kori was up for anything and luckily had a husband who was always willing. She loved bowling so Dennis did too. She enjoyed going to Wendover so Dennis did too. She wanted to travel the world so Dennis did too. She liked to knit and crochet and made blankets for her children and friends. Dennis was her best friend. He lovingly spent every moment he could caring and tending to her; essentially a full time effort.

Kori was hardworking and loyal. She was loved by all her associates and family and was known to all as warm and loving. She is already missed by so many.

She is survived by her husband Dennis Brown, her parents Andy and Dee

Horn, her brother Jeff and wife Marilyn, her 4 children: Sara, Drew (Deedra), Darren (Rachel), and Drake (Haley), Dennis's daughter Kelby Brown and his step daughter, Jamie Backman. She is also survived by her 9 grandchildren: Dillan, Evan, Chloe, Andrea, Branden, Emma, Jordan, Conner, and Copeland.

She was also survived by a very much loved little Shitzu name Dusty as well as 3 cats she tolerated in the following order: Sassy, Little Bit, and Onray.

A special thanks to all the staff at Huntsman Cancer Institute. They all knew and loved Kori and helped both her and Dennis immensely in the last days of her life.

Kori was cremated by Serenity Mortuary. Funeral Services will be July 15th 2018 at 5PM in the LDS chapel at 980 North Shepard Church Drive, Farmington Utah. All are welcome to attend. In lieu of flowers please make a donation the Huntsman Cancer Institute in Kori's memory

“ *I was very shocked and saddened to hear of Kori's passing. I shared an office with her when she worked at Lithia Toyota in Redding and we used to have so much fun together! She was such a kind hearted person and will be greatly missed. My sympathies go out to all of her family. She is with Jesus now and not suffering anymore.*

“ I was so shocked to here of Kori's passing. I am a former co-worker and from day one of meeting her at BMW of Murray I knew we would be friends. She was so easy to talk to and I was always commenting on her beautiful jewelry and attire. She was, in all sincerity, a very "Classy" Lady. My sympathies go out to her Family and Friends.
