

Lance Howard Turner

January 4, 1927 - July 14, 2014

Talk radio-silent, no more pheasants to shoot, no more paintings to paint. With that Lance Turner continues his journey forward July 14, 2014. He was the husband of Marilyn (deceased), father to Heidi Bailey (Wayne), Josh (Tonia), Chip (Tracy) and Matt (Suzie), grandpa to 14 grandchildren and 22 great grandchildren and a brother to Max. He was a friend and mentor to many; a faithful member of the LDS Church and a true patriot. We love and miss you Dad and your jokes, wisdom and profundities. Give Mom our love! Viewing will be held Wednesday July 16 at the Edgemont 6th Ward, 4056 Timpview Drive, Provo from 6:00-8:00pm and again Thursday July 17th at 9:30am preceding the funeral at 11:00am.

“Loved Lance much. He always took time out to share his talents with me, carving birds, art, whatever it might have been. One day at the house he trapped me while washing his little sports car to teach me how to wash a car without leaving circles in the paint job. He was very proud of his wash job. I've never washed a car like Lance taught me, I didn't share his joy in that area. What I did enjoy however, was that he loved me enough to take and spend his time with me. Never met your sister guys, but I know this, he raised the sons who I love very much. The memories you three have given me will last a lifetime.
