Allen:

I am so sorry to hear that your Dad passed away. I know that he loved you very much. He had so much fun teaching you how to do things. Like when you were little he put you on Natalie's bike and tried to show you how to ride it. You laughed so hard it was so cute. Then you cried when it was time to go. Your Dad almost cried with you. He had a hard time when you cried. I know he is proud of you and all that you have accomplished. I still miss my Dad a lot, I know its going to be hard on you as you do so many first time things.in your life. You have a wonderful Mom and Uncles to help you a long the way. Just ask and we will always be there for you. Love Aunt Barbara
