Laurel Lorraine Carver

March 11, 1930 - January 13, 2015

Lorraine was born to Neils Jacobsen and Ione Jacobsen (née Marchant) in Burley, Idaho. Her family moved to Southern California when she was a child and she grew up in Long Beach. After graduating from high school, she met and married Oscar (OC) Carver in 1950. They had five children, Barbara Lynne, Michael Lee, Kathleen Diane, Susan Lisa, and John Adam.

Shortly after marriage, her husband gave her a Cocker Spaniel puppy to keep her company while he was away in the military. That began her lifelong of raising and showing dogs. She began showing Cocker Spaniels but eventually became a licensed all-breed handler. In the 1980's, Lorraine began working with Portuguese Water Dogs. She became well-known and well-respected among Portuguese Water Dog enthusiasts and the PWD Club of America.

Preceded in death by her husband and their eldest daughter, Lorraine is survived by four of her five children: Michael Carver, Mrs. David Walser (Kathy), Mrs. Timothy Hubbart (Lisa), and John Carver. She is also survived by 16 grandchildren and 15 great-grandchildren, including two on the way. Lorraine will be remembered for her sense of humor, her tenacity, her bright smile, her beautiful long nails, and the 51 flavors of ice cream in her freezer. She had an amazing memory and remained physically and mentally active until her first stroke in 2010.

Funeral services will be held at The Church of Jesus Christ of Latter-day

“ Jerry and I first met Lorraine when we drove from OKC to Petaluma , Ca to breed our first PWD , Kings Cross Fudge of Crystal with Diver. That year Lynn groomed and showed the pup that we kept from that litter at the Specialty. It was difficult back then to find majors for PWD's in mid USA, so we sent our pup, Kings Cross Okie Diver, to Lorraine. . The plan was that Lorraine would put two majors on him and send him home for me to finish his points. OC brought him back when he came to Oklahoma to visit his aunts in Sapulpa. Lorraine and Mac had done a bang up job and he came home with two 5 pt majors, a 4pt. and a 3pt major. He already had 2 pts that I had put on him at the Finger Lakes shows in Upper New York. So he came home a Champion.

This began a long friendship. Over the years we have looked forward to seeing Lorraine and OC at the Specialty, and several times stopping to visit when we were in California and later in Salt lake City. The other memory I cherish was when several years ago Lorraine was able to judge PWD's at the Sooner Circuit Shows for Town and Country Kennel Club, the Kennel Club that I am associated with.

I will always cherish my friendship with Lorraine and her family. Lisa I want you to know that we love you and hope to see you again some day.
