“ *Whenever the Henninger family branch visited Phoenix, and later, Long Beach, Larry's welcoming and upbeat, fun-loving charm was always evident. We delighted in the many years of happy family visits 👍😊!!! Thank you!!!*

“ *What a bright moment for Sue and I when we met Larry on the canal bank behind our houses in Phoenix. We both shared that we had just moved from Orange County and suggested that we get together. This started many years of fun and enjoyment for both families. Larry's always generous self added so much to our lives and memories. Never forget the houseboat trip on Lake Powell! I have always been sorry that our families moved in different directions and lost a lot of contact., but our memories are always in our hearts. Rest in peace friend.*

“ *Steve, you with us when we shared this Happy Memory. It was all about cooking too. Remember, it a full plate of lobster you cooked and placed the garnish on, and then took Larry's and my picture.*
