“ I am so sorry for your loss. It breaks our hearts when death separates us from the ones we love so much, especially when they are as young as Leah. The Bible reminds us that God sees our pain and sadness and has promised that soon, "death will be swallowed up forever." (Isaiah 25:8) He will heal our broken hearts by resurrecting our precious loved ones to life again, under perfect circumstances and in perfect health. (John 6:40) I hope your beautiful memories of Leah and these promises from God comfort you in the days to come.
