“ *Thank you Leroy, for you and your family being there when I was growing up. Heard the other day of his passing.*

“ *Leroy will always be special to me. He came into my life just as I was becoming an adult and instantly acted as my dad. I have so many memories and experiences with him. He was funny, kinda crass, and was sincere warm and loving. He has many grandchildren some who are biologically and some not but he loved them all the same. They all adore their grandpa. Leroy loved his lawn and yard. I enjoyed helping him to make it the prettiest in the neighborhood. He always acted like dogs were a nuisance but he was great with mine and had Sandy as his sidekick to watch over him to the end. He will always be in my heart and he will be missed. 6:24-26*

“ Nancy and family, I just wanted to let you all know what a great guy we thought Leroy was. He ways always positive and had a great outlook on life. I loved our weekend poker games and the laughter he and my brother in law brought to the table. Such a kind man. I am so glad I got to visit him before his passing. He remembered our poker nights and said how he missed Frank and how they had been friends for as long as he could remember. He also shared the story about the motor home he bought and he was determined to take Nancy out traveling, We shared a few laughs about his funny jokes and how he always made us laugh. He told me he had met a lot of great friends along the way and the love he has for his family. I know Mark, and my family will miss him dearly. I am glad he is no longer suffering. I know Leroy will always watch over his family. Truly a great guy. Nancy if you need anything please call. I hope the lord will comfort you and the family during this difficult time. We love you all.
