Our beloved wife, mother, daughter, sister, and friend, Leslie Scott Warner, peacefully passed away February 2 at her home in South Jordan, Utah, surrounded by her family. She was born in Salt Lake City, Utah on May 21, 1962 to Rayna Cooper Scott and the late David Randall Scott. She attended Hillcrest and Jordan High Schools where as captain of the gymnastics team she won many all around awards, leading her Jordan High School team to two state championships. In her senior year she earned the scholar/athlete award. She attended BYU on a scholarship where she graduated in Nutrition. A marriage to Paul Eugene Sherrick ended in divorce. She later met and married the love of her life, Merrill Joseph Warner, on August 24, 1989. Their marriage was later solemnized in the Salt Lake Temple on December 15, 1990. Twin boys were born to Leslie on her father's birthday. Four years later another son was born.

After she married Merrill she quit working as a Temple Consultant at the Church Office Building to become a full time mom. She was a gentle, loving, obedient daughter who was a joy to her family and best friends with her three brothers, giving them advice such as how girls liked to be treated or how to

dance. Her home was brightened by her sweet spirit and sense of humor. She loved to babysit and enjoyed sewing her own clothes. She liked cooking and often tried out new recipes. She learned the piano well enough to play hymns. The summer after sixth grade she fell off the horizontal bar and broke her arm. That didn't stop her from hiking to the top of Mount Timpanogos with her family. She totaled her car rolling off Wasatch Boulevard but walked away without a scratch. One of the activities she enjoyed was the annual spring outings at Capitol Reef National Park with her family and later her extended family.

The last 35 years of her life she struggled with multiple sclerosis. Merrill became her sole caregiver, researching the disease and lovingly and devotedly caring for her. Even with all her physical problems, she was always upbeat and never complained, but she was always grateful for all her blessings. The happiness of others was important to her, and she always tried to comply with their wishes. As the MS progressed she spent time watching Jeopardy, Wheel of Fortune, Family Feud, and Monk. She enjoyed taking rides with Merrill in their Mustang convertible. The two most important things were always her family and the Church.

She is survived by her husband Merrill and three sons, Bill Sherrick and Scott (Rafaela) Sherrick of Taylorsville, Utah, and Daryl (Kayli) Warner of Lehi, Utah; her mother Rayna Scott; brothers David (Ruth Ann) Scott, Robert (Leslie) Scott, Russell (Teresa) Scott; and many aunts, uncles, nieces and nephews.

The family would like to express their appreciation to members of the ward who have been such a support and especially to Leslie's ministering sister, Modina Hansen, who has been Leslie's angel here on earth.

Funeral services will be held Monday, February 7 at 12:30 p.m. at the South

“ *I have known Leslie since her marriage to Merrill. She has always struck me as a sweet, kind and loving person. We will miss her in this realm but will look forward to seeing her again in the next. Travel well sister.*

“ *Leslie was like a little sister to me growing up being only 7 years younger than me (much closer to my age than her mother). I was always the one called to babysit my Scott niece and nephews and happy to do so. As she grew I always enjoyed being with her and we had fun times together. After I married and had children Leslie was so kind to come to our apartment to babysit my children so I could continue taking classes towards my degree. Leslie is such a sweet, kind person. I love you Leslie!*
