

Lester "Sonny" Renard

January 28, 1942 - May 11, 2022

Lester "Sonny" Renard

In loving memory of our good-natured father, grandfather and great grandfather. Married to Christa Renard for nearly 49 years. They were born 5 days apart and sadly passed 5 days apart. May they both live blissfully ever after.

He was a gentle soul with a quick wit. He took on the challenging roll of being a dad and we're truly grateful.

He is survived by a son (John Marpo) and 2 daughters (Ramona Bluestone and Donna Knaub). Additionally, he was the proud grandfather of 4 and great grandfather of 3.

Every time we see a deer, we'll know you're near.
