“ *Lee and Lyle were so loving and welcoming to me, when I came to teach at Christ. They became such good friends and I'll always remember our suppers together and sitting out on their patio and visiting and watching the hummingbirds. Lee is now at peace with her Lord and Savior!
She will always have a special place in my heart, for welcoming me into her home and being such a good friend!

There are lots of those. John Michelle Mark and Deneene, I love you all more than life. She's whole again and with our dad. I'm sorry I can't be with you all Saturday, I will be living and supporting you tho in my heart. Sending all our love from Montana. XXXXOOOO*

“ Our dear loving neighbor and friend has gone on the join the love of her life Lyle and other family members. Lee was the best neighbor ever. We were saddened when she moved but glad she had wonderful family members to care for her. We will miss dearly and her license plate said it all "LUV LEE".
With deepest sympathies and love

“ Lee was a best friend, wonderful neighbor, second Mom and Grandma, definitely family. I have missed our daily conversations when she lived across the street. She and Lyle were the best friends anyone could hope for. She practically raised Caitlin. We are grieved beyond words. I am forever saddened at her loss.

“ Lee was a great cook and seamstress. She made the dresses for the girls that were apart of my wedding many years ago. They were beautiful. Her German dishes were delicious. Her holiday candy was always a treat. She will be missed. Love , Todda Sletten
