

Linda Kathleen Allen

July 8, 1944 - December 25, 2025

Linda Kathleen Allen (aka Chicken) a beloved wife, mother, grandmother and great grandmother, passed away December 25, 2025 after being with her loved ones on Christmas Day.

Throughout her life Linda was there to help everyone she could. There was never a forgotten birthday or holiday. She cherished every moment she had with her family and kept every memento that was given to her. She donated to any charity that reached out to her and was always giving to those in need.

Linda loved reading, her Yorkshire Terriers, the outdoors, going to their cabin, going on trips to 9 Mile Canyon, looking for petroglyphs, fossils, and walking through old cemeteries.

Linda was very intelligent and excelled in business working hard to help provide for her family until her illnesses would no longer allow her to work. She took pride in her responsibilities and approached life with determination and grace.

She faced many challenges throughout her life bravely battling Lyme disease, heart disease, and in her later years Alzheimers. Despite these hardships, she remained a gentle presence and still showed everyone her never-ending love.

Linda was previously married, and from that marriage she was blessed with three children. She later found love again and married her husband, Gary Allen on November 10, 1979 with whom she shared companionship and support; and gained three additional children.

Linda was preceded in death by her mother Theo, her father Jesse, and her brothers and sister; Jess, Brian, Bradley and Barbara. She is survived by her loving husband Gary, her children Darren, Jennifer, Benjamin, Kris, Kimberly, Jayson, her grandchildren and great grandchildren; all of whom will strive to carry forward her legacy of kindness, resilience, and love.

She will be deeply missed and forever remembered by all who knew her. She is now back in the arms of her Heavenly Father and surrounded by loved ones.

“ I was blessed to meet and get to know both Linda & Gary through their cute pups, Sophie, and Missy. I always look forward to seeing them, and they always came across as a sweet and loving couple. She was always so kind and friendly, and always acknowledged how much she appreciated my loving and grooming their sweet dogs. Over the last year she wasn't able to come along for their appointments, but she did accompany Jodi one time and I was able to visit with her and give her a big hug. She was so sweet and positive and I will definitely miss seeing her. Sending love and hugs to her family and to her husband, Gary. ❤️

“ Linda was the first princess in our family. My eldest brother met her while attending college in Rexburg Idaho. Linda lived in Rexburg with her family. She was a true light added to our lives. Her and Monte's first child was Darren Monte. He was the first grandchild for Doyle and Alice Jensen, our parents. Cutest little boy ever and we loved him so much - still do. Next child they had was Jennifer. She was a sweetheart. I remember she would get up on her hands and knees in her crib to rock herself to sleep. She grew up beautiful and looked a lot like her mom Linda. And then they had Benny who was named after one of Monte's good friends in college. Benny was very inquisitive when he was younger and would get into things in the garage he shouldn't. Our family has always loved Linda. She was always kind and sweet and thoughtful. As she still is.

“ Linda was once married to my older brother Monte. I remember her as a beautiful young woman with a soft voice but a wicked laugh. She always dressed so elegantly. I remember her and Jennifer coming to both our parents funerals. That meant a lot. Rest in peace Linda.

Thank you, Linda for opening your heart to me as the Stepmom of your children. I will cherish the time we spent together holding hands and praying, laughing and both felt a sisterhood bond. I know you are flying with the Angels above. You were an Earth Angel to so many who will always carry your light. Becki Jensen
