“ Oh Dear Linda, I had the privilege of working with Linda a Alta View Hospital. She had a way of always making me feel good about myself. Her smile and wonderful laugh are engraved upon my heart. My life is better, because I knew her. Love you Linda.

I would like to send my condolences to her children and family. She loved sharing her love for you and all the wonderful things that were happening in your lives. What a great example of just how important a mother's love is. She is one of the great one!

“ I worked with Linda for several years at Alta View. When I was a charge nurse and Linda was my clerk, I would feel so happy. She was so dependable and pleasant to work with. I loved to talk to Linda. You could tell her anything because she was not at all judgemental. The world has lost a great soul. I am so sorry for your loss. God bless you all.

“ I had the opportunity of working with Linda most of the years she was at Alta View. She was a hard worker and always very dependable. She was always so willing to help others and to trade shifts. She had a great sense of humor and a laugh that was so special. Linda was a wonderful person that loved her family so very much. She will be missed by all those that worked with her and loved her, family and friends.
