April 5, 1947 - July 22, 2021

Linda Sue Peterson Hastings, 74, beloved Grandmother, Mother, Sister and Aunt returned to the loving arms of her Heavenly Father July 22, 2021.

Born April 5, 1947 to Donald Hubert Peterson and Helen Lucille McArthur.

Married Graden Carl Hastings Jr in 1967, later divorced.

Preceded in death by her parents, brothers Lonny Keith Peterson and Patrick Dee Peterson. Survived by her children Donald Graden Hastings and Carla Sue Hastings Sanchez. Grandchildren Anthony Alexander Sanchez, Gabrielle Nicole Hastings, Benjamin Garrett Hastings and Zachary Tyler Hastings and her beloved Niece, Shannon Nicole Peterson.

Family was everything to Linda. Her most cherished gifts were her children and grandchildren. As a single mother, Linda's strong faith gave her the strength and determination to raise and provide for her two children on her own.

At the young age of 16, Linda began working at Kentucky Fried Chicken where she quickly rose to a manager position. From there, a close friend helped her gain employment in the cafeteria at Zions Bank.

She was happy working at the bank and continued a steady climb holding

many positions throughout her 35 year career with Zions Bank.

It was Mom's belief that the power of prayer is amazing and the power of a mother's prayer is undeniable.

A special thanks to her Hospice Nurse Michelle Webb of CNS Hospice Services who provided our Mother with tender loving care.

A Memorial service will be held at the Garden Park 4th ward located at 4484 Willoughby Drive, South Jordan, UT 84009. 1:00 PM, Saturday, July 31, 2021.

“ *Linda was my sister in law. I admired her ability to remain faithful. Through all her trials and victories in this life she became an example to so many. She loved the Lord and did not hesitate to express that love for the Savior. In the past while we were able to communicate via Messenger. I have saved those messages and I am so glad I did. I can know she expressed true kindness even as she was so ill. I admire the way she was active as much as she could be. I am grateful to Carla for allowing me to in a very small way to be a part and see her funeral service. Her friend that spoke touched my heart. My prayers always with those she left behind.*

“ I am Linda’s friend from Garden Park, live in a block or so away from her Home. I met Linda a few years ago and we visited as often as we could. We became sweet friends when we realized we had a lot in common. She is one of those rare people that made you feel loved and important. And she knew I loved her. I am thankful she is on the other side free of pain now, even though she will be missed. Now I can visit with her beautiful daughter Carla.
Thank you Linda and Carla. Love, Jo Remund

“ Linda was my next-door neighbor for sixteen years. I had six rambunctious, curious, energetic, fun-loving, and sometimes mischievous kids. Linda and her children were always so kind and patient. She welcomed my kids into not only her yard, but her home. She was generous and always kind. We loved her and her family. She always conducted herself with grace and we could tell she was a very special woman.

Linda was one of my moms growing up. She was such a funny and happy person. She loved Elvis! I visited her after high school. I have thought of her often and in the past several years wanted to get ahold of her again.

It has been so long I'm not sure why she is someone I think of often or telling myself I want to see again. I've tried contacting her.

This makes me sad, but so happy for her. Love you Linda.

“*I think I was the first home teacher that Linda had when she first moved into her home in West Valley. A spicey single young mom with 2 very active kids I had a feeling was going to be a lot of work. The strange thing however is that it was not a lot of work. To look into her beautiful eyes sometimes filled with tears was like looking into the face of an angel and all I wanted to do was help her and her family, and then help some more, and more and it never got old or tiring because of who she was. And who was she? I still do not know really - but I knew I was in the presence of not just another single mom. Much, much more than that. She was a blessing and a gift God gave to me to teach me and to enrich my life. Love You Linda. Your Home teacher. Marlin Utley*
