“ In May, my credit scores were 486 (TransUnion), 514 (Equifax), and 523 (Experian). When I applied for a mortgage loan in June, I was denied due to my low FICO scores. I turned to Reddit to ask for advice on how to improve my credit. I received numerous suggestions about H A C K M A V E N S . I reached out to him, and he replied promptly. I shared all the details about my credit situation, but I was hesitant to release my funds to him. He assured me that he could fix my credit, and I would pay for his services once the job was completed, which I agreed to. After three days, I received a notification from Experian saying, "Congrats, your FICO Score has increased!" I quickly logged in to check, and to my surprise, he had raised my scores to 806 (TransUnion), 814 (Equifax), and 816 (Experian). All negative items on my credit report were removed; no inquiries, no collections. I'm incredibly thankful. I just received better credit card offers. H A C K M A V E N S is amazing! You can reach him via email at H A C K M A V E N S 5 AT G M A I L DOT COM or call/text/Whats-App at [+1 (2 0 9) 4 1 7 – 1 9 5 7]. Don't forget to mention that I, Anna, referred you to him.

“ I'm so glad that we met and became such great friends. What I will miss is you incredible gift of gab. Sometimes I wondered if you ever took a breath while sharing your stories or what was on your mind. Girl, you sure could talk. Even your texts were like mini books that were sometimes hard to figure out because your mind thought faster than you could type and you were the first person that I actually had to Google everything to figure out what things meant like tysm or ilyk or ppl. By the time I finished reading your mini book I was roflmao and then I would have to call you and ask you what the hell are you talking about at which point you would take another hour or more to explain. I've never known someone who could tell stories like you. You should have gone into public speaking. Lol. Mostly what I will really miss is your laugh. Just hearing it would make you smile and laugh with you. There are times I wish you would call me because you need a pack of smokes and a slurpee and I'm so happy I got to make you my favorite slurpee combo, coke and Pina colada the day before you crossed the rainbow bridge. So I guess I'm now left with great memories and slurpees will have a different meaning in my life. I'm so sad you aren't hear but I'm so happy that you are free now from illness and pain. I know you will be busy talking to the angels about your loved ones and friends and if you find time during those long chats, feel free to drop in and I'll have a slurpee waiting for you. Also, thank you Israel for sharing your wife with me and I value your friendship as well. Just know that she is with you by your side in spirit and that you have many family and friends who will support you and the kids through all of this. All my love and may God bring you peace.
