“ *Dan,
We are so sorry. We just heard that Linda received a new calling to serve. That is what she does best. I will be forever thankful for what she taught me about being organized and how to accomplish the what needs to be done. I cherish the friendship I had with her.

“ *I am so sorry that George and I could not come to the funeral. I was told by a couple of people that Linda would like to have a visit with friends from the Emerson ward the last couple of weeks before she passed away. I wanted to come but George's health would not allow it.
I really loved working with her in Relief Society.
You and your family have all been in our thoughts and prayers.

“ *Hugs for your family Linda! We miss you already. Dan, know that our prayers are with you. You and Linda were the very first people to visit us when we moved in. I'll never forget Linda taking one look at my crazy paint zone and asking if she could bring us dinner. It was even gluten free, which was amazing. We love you all dearly and know that our prayers are with you. Crystal, Joel, Betty, Edwin, and the Basset Brigade.*

“ Just a little over a year ago, we approached Dan and Linda for guidance as we wanted to start a hospice agency to serve the Wasatch Back. Linda and Dan made time for us and guided us through the first few months of swimming into the unknown. Linda, the epitome of a generous host, always greeted us with milk and cookies, served with a smile and encouragement. It is because of Linda and Dan's support that our dream has become a reality. Thank you Linda and Dan. Sending you love and solace, Dan - Nancy and Liana

“ I know you do not know me . My name is insignificant at this time I would like you all to know how Linda touched my life. Early in my Hospice career I attended a training in Salt Lake City for UHPCO and I was so frightened and unsure of my abilities. When I showed up at that registration table Linda greeted me with open arms and reassured me that I was in the right place and from that point on I believed her and will ever remember her kindness and unconditional acceptance of others. Thanks for sharing her with all of us in UHPCO . We acknowledge all of her efforts and hard work in the Hospice and Home Health profession's. Beaver Valley Home Health & Hospice

“ *Una hermosa rosa ha partido a la presencia del Padre Celestial, dejando a su familia terrenal, fuè una hermosa persona, le conocì cuando estuvo aquí en Chile viniendo a buscar a su hijo. al misionero que me bautizó Elder Wade Hull, luego cuando yo viajè despues de muchos años, compartì con su familia y con ella quièn me mostrò todas las hermosas obras de arte junto a su esposo. Linda fuè muy cariñosa y amable cuando yo estuve en su casa y departiendo la exquisita comida americana junto a su familia. La echaremos mucho de menos, ella ha vuelto a la Patria Celestial..Hasta vernos con el REY. Linda. Con amor de Patricia Tapia, Estaca Renca II, Chile.*
