“ *Lloyd was a very dear friend, We worked together in the Legion. I have missed him since he moved from Central. His patriotism was above anyone's I know. The display he had at his home in central proved that. I feel bad that I will not be able to be at his services that Saturday morning .there are commitments I have that can not be changed.. Lloyd was very unselfish. When I made a pre-need plan for him and Ann he had 2 caskets that a good friend of ours, Johnie Johnson, had made for him an Ann. Not long after that a neighbor passed away and Lloyd gave one of the caskets to him. All of us that associated with Lloyd were blessed by our friendship.*

“ My Grandfather was the best man. There are so many memories I have in my life with him. In New Mexico there was so much land that you could pretty much do anything. He loved to take us on hikes (taking the dog for a walk) and talk about the land and animals. Us kids would Climb the trees. Ride the 4 wheeler to check the land. Oh how I loved New Mexico. In Saint George Utah. Didn't go up as much as I should have but always made sure that when a great grand child was born we would take them up there to meet them and spend the day just talking. He loved his family and would always make sure we felt it. I Love you grandpa

“ When I was very young and Grandpa lived in New Mexico we used to go out every year to visit. Grandpa would take it upon himself to take out into he backyard, which was huge enough for him to eventually try to build a lake in it, where he had built a hiking trail into the hills and we would go out and explore. He would show me the animals and new and cool things he discovered in the last year. These were some of my most cherished memories as a child because I didn't have anything like that in my everyday life. Grandpa gave me the love of the outdoors and the love of the gospel for he would share scriptures on the trail when we stopped to rest. He was a great man that took time out of his life for his grandkids which meant everything to me.

“Dad has been a great priesthood example to me and my children. Dad baptized my son, Chris when he was, 8 years old. When Chris was 12 years old, Dad ordained my son being a deacon, teacher and priest. He also came ordained him an Elder. Without my dad and my brother Frank, my son wouldn't have felt that priesthood strength in our family Thank you Daddy for all you've done for me and mine.
