

Lloyd Meadows Gustaveson

April 3, 1925 - July 16, 2018

Lloyd Meadows Gustaveson passed away at his home in Sandy Utah on July 16th 2018. He's 93 years old.

Our Husband, Dad and Grandfather was born April 3, 1925 in Devils Slide, Utah to Melvin and Viola Meadows Gustaveson. He married Barbara June Francis in the Salt Lake Temple on November 26, 1947. They have 5 children, 18 grandchildren and 58 great grand children.

He is survived by: His beautiful wife of 70 years Barbara Gustaveson, His brother Verl Gustaveson (Mary) of Orem, Utah, His three sisters Donna Bryson (George) of Coalville, Utah, Deone Cox (Bryant) of Missouri and Corrine Shaw (Ray) of Heber, Utah. Of his 5 children: L. Michael Gustaveson (Linda) of Riverton, Utah, Carolyn Seale (Doug) of Orem, Utah and Joan Hintz (Tim) of Peoria, Arizona are still living. Two daughters, Janet Gustaveson and Lisa Burntson have preceeded him in death.

Dad Served in the Navy during WWII. In his own words, "I credit my service in the Navy for gaining self-confidence, personal discipline and resourcefulness." Those very characteristics were apparent throughout his employment, church service and family life. In addition he was fun and fun loving; curious and adventuresome; An artist and creator of gadgets.

In considering why this man meant so much to so many people, I think it was because if you were 2 or 102 he listened when you talked. He enjoyed your company and you knew it. He loved you and you could tell.

Dad loved His Father in Heaven and His Son Jesus Christ and taught all of us to do the same. He was grateful and expressed gratitude and taught all of us to be the same. He was patient and kind and taught all of us to do the same.

When a great man like Lloyd leaves this world it leaves a giant hole that will be hard to fill.

When a great man like Lloyd/husband/Dad/Grandpa loves you know you will be loved forever.

“ *Sadly, I never met Lloyd Gustaveson during his lifetime, but he still played an important role in my life. In 1975, he ordained my uncle, Duane B. McGhie, a High Priest. Sixteen years later, my Uncle Duane ordained my father, Brent E. McGhie, a High Priest. Four years after that, my father ordained me a High Priest. He represents a link in my Priesthood line of authority back to the Savior, Jesus Christ. From what I learned, he was a great man who did great things for his country, for his community, for his family, and for God.*

“ Dear Gustaveson family—Sadly I was unable to attend Bishop/President Gustaveson’s funeral services yesterday but Sylvia sent me some photos you had displayed which I was so happy to see. We had the opportunity to see him as he attended both our dad’s and mom’s funeral in recent years and last Christmas went caroling to their home. He was so gracious and sweet. I have such fond memories of him. One to share and that is 50 years ago I remember vividly my interview with him for my baptism! My dad took me to his office at the church and your dad had Lisa there. She would have been maybe two. I remember feeling very comfortable to talk with him and understanding the decision I was making. He was very warm and kind and loving. Afterward we walked out to the parking lot to depart and I remember watching him and my dad visit for a bit. He must have made a special trip to the church for my interview. He was (and still is) such a gentle, loving, appreciative and good man. One last thing...several years ago my mother surprised our dad with one of your dad’s paintings. I long-wished for treasure of my dad’s. Our parents displayed it prominently in their homes for years before their deaths. We all loved having one of Lloyd Gustaveson’s seascapes to admire. Please accept my deep sympathy and love from one who understands the tender feelings of losing a beloved parent.

“ Bishop Gus was a great mentor and role model for me as a young husband and then father. My new wife, Deborah and I had just joined the Church and moved into Santa Clara. He helped me to become the LDS Husband I desired to become. Then as I became a new Father, he mentored me and Barbara gave great support to us when we had Post-Partum problems. We benefited from their personal involvement and support. We grew and followed their example of good parents and spouses.

The Ward was filled with many young marrieds and Bishop Gus was wonderful to All.

We enjoyed many Ward Activities to which they gave 100% support.

We LOVE you

and your Family Barbara!! Thanks for helping us get through Life.

“ I've know Gus from when I was age 15 (now 73) in Santa Clara, California. Few men ever affected my life as much or in the way he did, and still does. And no man ever had more influence on my parents than he did. He was such a firm example to me in every way. He was such a wonderful personal friend. He kept emailing me even until the last year. I will never ever ever forget him!!!! Thank you Gus, for everything!!!! Love, Steve
