

Lois Matson Frink

February 1, 1949 - September 14, 2020

West Jordan, UT - Lois Matson Frink passed away on September 14th at home, surrounded by family. Lois was born on February 1, 1949, in Salt Lake City, Utah to Royal and Ethel Matson. She was one of 9 children and is survived by Elaine Mooseman, Ralph Matson and Marilyn Van Dam. She married Michael Frink February 14, 1986 and was married until Mike passed away August 3, 2007.

Lou was very adventurous and loved to water ski, snow ski, she even studied Karate at one point. Her and Mike enjoyed going to the Drag races and they were big John Force fans. Lou and her girls enjoyed many spontaneous road trips to Vegas, Arizona, and Colorado!

She passed on her love of crafts to her girls and grandkids.

She worked tirelessly as a US postal worker until she retired after 30+ years. At Lou's happiest times in life you would find her watching CSI with a beer in her hand. She adored her daughters, Carie (Jesse), Sydnee (Tommy), and Stefanie (Shane), grandchildren, Amber (Nick), Steven, Megan, Josh (Stephanie), Dustin (June), Breanna, Colby (Trina), Baylee (Josh) and Parker, and great grandkids, Kaden, Braxton, Lincoln, Raiden, and Lennon.

We will forever miss BBQs at grandmas house and breakfast up Millcreek

canyon.

We want to thank our sister Sydnee for her tireless care of mom. Thank you to Bristol Hospice and to Tanisha and Angie for their love and care of our mom.

“ *My name is Cathie Ewing I was practically her little sister we did so many fun things together as we were growing up Lou Mert myself I would always manage to get myself included on any outings with the family. I love these girls we spend time making little plays getting caught up in the tree going out into the garden and picking whatever Uncle Roy would let us get away with we had some great times when we were younger and as. We grew a little bit older we kind of went in your own Direction but always loved each other. My love goes out to her family but the family on the other side are very excited to see her love you guys*

“ *Lois and I started kindergarten together and we had the same teacher. On the first day of school, she said she didn't like it and she was going to go home. After recess the teacher asked where's Lois? I said she told me she was going home! 😂😂 From then on, she showed how very independent she was in her personality. I always loved and thought of her as a family friend my entire life. I also loved her name and would use it as an alias at times. 😂😂. Rest In Peace dear friend. Love and hugs Shirlee Kelsch Hollingsworth ❤️🐱♀️❤️*
