

Luana Vernetta Philipoom

January 19, 1951 - June 28, 2024

On June 28th, 2024, around 4:45 am, our “mum”, grandmother, sister and aunty, returned home to be with her heavenly family.

Mum was born January 19th, 1951 to Louis and Aso Philipoom in Auckland, New Zealand. Luana was the oldest of 6 children. Around her freshman year, she and her family migrated to Salt Lake City, Utah to be near the headquarters of their faith, The Church of Jesus Christ of Latter Day Saints. Mum was a proud member of the Church and worked in various callings her entire life.

Mum and her family eventually found a home in the Holladay area where she attended Olympus High School. She then attended BYU where she graduated with a Bachelor’s in English.

After attending BYU, mum eventually found her way to Laie, Hawaii to follow her passion: dancing and her Polynesian heritage. Mum performed as a dancer at the Polynesian Cultural Center (PCC). She continued her dancing after the PCC by joining a polynesian performing group that took her all over the US and Canada.

During her time performing between 1980 and 1983, she gave birth to 3 “little fatsos”. After her youngest was born, mum ended her time on the road with

her group and headed to Salt Lake to be near family to take on being a single mother of 3.

Upon her return to Utah, mum eventually found a home with O.C. Tanner as an administrative assistant. She spent the next 35 years at O.C. Tanner until she retired with innumerable memories and life long friends. While working at O.C. Tanner, Mum joined groups like The Utah Polynesian Choir and also Ngati Hiona. Mum never stopped dancing (even after retirement) As well as passing on her talents and knowledge to her kids, grandkids and other family - blood, adopted, and any in between.

Mum was eventually diagnosed with Renal Carcinoma Cancer in 2019. While the cancer treatment slowed the growth, it also caused mum to become a type 1 diabetic. She battled courageously for 5 years against tremendous odds. She recently decided that she was at peace with her fight and ready to rest while waiting for her family on the other side of the veil.

Mum was preceded in death by her parents.

She is survived by her 3 kids: Rena (Meagan), Sita (Shalie), Tanya, her 7 grandchildren: Terina, Oliveti, Losepeli (Jay), Shane, Kalia, Viliamu, Tavita and her great grandbaby, Analina. Her 5 siblings: Glenn (Cameron), Dwight (Nada), Spencer (Dixie), Jeanette Tamowski (David) and Gaelene Hunsaker (Lon) and 18 nieces and nephews.

“ Aloha Luana! Just saw this news about your passing. Condolences to your family. We have such great memories of you when living in Torrance and especially when we were next door neighbors in Lawndale with you and Lucy and the little ones. So nice to see pictures of you and the other dancers that Virginia posted. Until we meet again at “the big luau” in heaven 💕💕💕💕💕
