Lucas was born October 9th, 1990 in Salt Lake City , Utah and attended Skyline High School , graduating with his classmates in 2009. He attended the University of Utah for one year and was currently working for Extra Space Storage.

boating, camping and other outdoor activities such as the National Outdoor Leadership School . He had an infectious personality, and drew countless friends to his side to share in his passions; his friends truly were his life. It is their mutual love, together with his family's love that will help keep his memory alive always.

A joyful celebration of his life will take place on Friday, July 5th, 2013 from 6:00-7:30 pm in Cottonwood Rooms, C & D at Snowbird (casual attire). Immediately following, provisions have been made for a private Snowbird aerial tram ride to the top of Hidden Peak for those wishing a moment of reflection and to remember Lucas under the approaching sunset skies.
