December 31, 1943 - September 22, 2021

Maria De Jesus Ronquillo Aguirre, born December 31, 1943 in La Lobera, Guachochi Chihuahua, Mexico. Maria is preceded in death by her parents, Baldimiro Ronquillo and Asuncion Aguirre. She is survived by her children, Rocio Teresita Rascon, Erik Leoncio Rascon (Gloria), Maria Yolanda Rascon and Manuel Agustin Rascon (Tresa); grandchildren Anthony, Allen, Erick, Jorge, Miguelito, Amahia and Analia; five siblings, Eliseo (Berta), Mario (Elda), Jose (Ana), Maria Dolores, Antonio (Carolina) and many family members and friends.

Maria was given the beautiful nickname Tita 27 years ago by her grandchildren and to this day, that is what her family and friends call her. Maria had a passion for cooking. Cooking is where she truly would show her love to everyone. The frijoles charros, chile rellenos, tinga, tamales, and her son's favorite dish, pipian. Plus, all the Mexican dishes you can think of. She would really dig deep into her soul to create perfection.

Her deepest love was her grandchildren. She would smile every single time she would think of one of them. A grandma's love is a one of a kind. Maria babysat for over 30 years as well. She loved children and every child that stepped into her daycare fell in love with her. Many of these children kept in touch until her last days. She became grandma to many that did not have a grandmother of their own. She loved to spoil everyone with the simplest of

things that made their life easier.

She also loved to sell items like Tupperware, Avon, etc. This is how she would meet people and became longtime friends with them. She was a lady of many duties.

She is loved by many she has left behind and greeted by her loved ones in heaven.

A viewing will be held Monday, September 27th at 5:00 pm. Followed by a funeral mass at 6:00 pm. Located at St. Francis Xavier Catholic Church, 4501 West 5215 South, Kearns Utah.

“ *Hoy es el cumpleaños de Tita. Extraño oír su voz en un día como hoy. Encontré un par de fotos de uno de nuestros viajes a Wendover... quizás no ganamos mucho dinero, pero si recuerdo que siempre la pasábamos muy bien. Jugábamos, comíamos, hablábamos, etc. Bellos recuerdos! Descansa en paz Tita!*

“ About 11 years ago, I was blessed with the pleasure of meeting Maria de Jesus Ronquillo. She was knowing and appreciate by many people, and I was lucky enough to be by her side. She won me over with her way of being attentive, kind, and attentive to detail in everything she did. Of course, she also won me over with her delicious cooking. I adored her empanadas, cookies and her gorditas with cheese was something that I admired greatly. Wherever she would like to go, I would accompany her and, wherever we went she always found someone who knew her. They would recognize her and gladly come to great her. They would give her a kiss on the forehead and brag a little about all the abilities that she had. We had other friends and together we all would form a group, from there we would get together and celebrate her birthday, as well as any other festivities. It was something she would enjoy. We would always have a good time and she gave me memories that will forever be precious and dear to me. She was the sister I never had. My God keep her in heaven. I will always remember her, Doña Maria.

“ *She was a great soul. She babysat my kids but before she did that she took care of me and fed me like I was her own but was just her sons friend. She will be missed by all she touched but is now in a better place. She will now take care of us from up above and will be waiting for us with open arms. Until we meet again. Rest In Paradise*
