“ *To the Holland family. Marty touched the lives of those he came in contact with. He also blessed there life. He was a great person, he taught and lived his life by example. My life has been blessed by meeting Marty, he always had time to speak with me, whether it was at the bowling alley, golf course or at the store. I truely miss the Gentle Giant. My prayers go out to the Holland family. May our Lord and Savior Jesus Christ bless and comfort you in the days ahead and through the the rest of your lives. Cherish the many memories of your husband, dad, grandpa, brother and father-in-law. Rest in Peace, my Brother in Christ.*

“ *He was always easy going. Enjoyed many evenings playing cards and games --- except monopoly --- We went to many bowling tournaments and events with your family. You are all great friends. He was easy to talk to, and could always see a lighter side to things. Thank you for sharing. Sharon Hardy-Mills*

We send our deep, heart-felt condolences to Jeri and your family. Burley was a better place because of Martell Clive Holland. He was way too young to lose already. We pray you will have the peace of the Savior with you and reassurance that you are a family together forever in the eternities. Love from Walt and Eileen Petersen
