

Martin Paul Hislop

March 22, 1940 - October 7, 2017

Born in Spring Canyon, Utah on March 22, 1940 to Martin and Irene Hislop.

He was raised in

Altamont with his brother, David. Paul played for the Altamont High School basketball team and graduated in 1958.

Following graduation, Paul started working for the U.S. Forest Service mostly as a crew boss

fighting forest fires. It was during this time, he met the love of his life, Margaret Rae Thurman.

They later married on Dec, 8 1962 and begin their lives together in Salt Lake City. Paul began a

new career as a buyer and warehouse manager and shortly after, the couple moved to Bountiful

to begin their family

Paul became the proud father of 2 sons, Dwaine and Shawn. He was sure to raise his boys right

and taught them important life lessons and skills that would cover everything including how to

clean a house and almost more importantly, how to clean a deer. The family of four enjoyed

being outdoors and made sure to include camping trips among other vacations. Time spent

with family was always important to Paul and his family continued to grow through the years.

His older son Dwaine married Anjel, and together they have 4 children: Ashlyn (Bryan), Kyle (Heather), Kiersten and Alyssa. Shawn married Melissa and they have 3 children: Brooklyn, Westin and Sadie Rae.

Paul loved the outdoors his entire life and he was an avid hunter and fisherman. He grew up hunting deer on the Little Yellowstone and always loved to take his kids and grandkids back to the area. He enjoyed many summer trips to Fish Lake where he spent numerous days on the lake creating valuable memories with his family. Each hunting season would bring more memories for his family to cherish. He may have passed, but his hunting and fishing legacy will pass on to his sons and grandchildren.
