“ My sweet baby-sister, I know you understand the depths of heart-break I feel for having lost you. You deserve to rest in peace, so I'll try to move through my grief and sadness by remembering you as the lighthearted, caring, loving, generous and wise soul that you are... as energy does not disappear - it simply changes form. You asked me, “Cyndy, please don't forget me.” I promised you I could never, and you know that promise is seared onto my heart. Rest in Peace, my sweet Jeannie... I look forward to seeing you again. ✨
