“ *Hi Max,*

You were always there in my darkest moments when I needed a friend, a shoulder to cry on and a good laugh. You inspired me to be a better person. Because of you I have the blessings that I have now. I know that in the end, certain circumstances didn't allow us to be as close as we once were and I know that we disagreed on a lot of things but your passing has made me regret that lost time. It may not seem like it but your passing has greatly impacted me. I miss you more than you will know. Be at peace dear brother. Until we meet again.

“ A lot of my best and favorite memories were with this awesome person. From fishing at fish lake to eating popcorn with hot sauce he was an amazing example to me and everyone he touched. He was always so quick to help others and to make me and everyone smile he was one of the most caring people out there. I'm so thankful for the opportunity to be able to see him again. Till we meet again

“ Max, My brother and best friend..words can't explain how much I love you or miss you. The pain I feel is great and would like to find someone to blame, but now I understand a bit more than I did before and it doesn't change the love I have for you. I wrote a poem to you and would like to share it with all that knew you.

*Life sometimes seems so unfair,
When someone you care has passed on..
All the hearts starts to cry,
For a brother who has gone home so soon
For we all remember the life that blessed,
By all those who knew you
Yet the time has come,
You felt you were needed home
Now we wonder why you had to go,
For we all so needed you so
God smile on me in so many way,
when he sent you in my life
And remembering one is so easy to say,
He blessed me with not only a brother...but also a best friend
Is there anymore I can say about God special Angel*

“ He changed my life up to the very last second. We had these incredible moments of joy and laughter. That's what i'm going to focus on. All the good. He made my heart flutter when he walked into a room. All he wanted to do is make me happy and smile. He'd say the sweetest, nicest things about me and about my son. It was hard to always believe him at times. But he gave me hope. He spoke so highly of his children and family. Stephanie, may you be blessed for the efforts and unconditional love you gave him. He cherished the guys he worked with especially Kyle Bone. I want to thank Kyle for being his friend not matter what and now mine.. You're an amazing man with an amazing family! I feel so blessed to have you in my life. The Lord has used you as a guide and his angel. He looked up to you and hung on all your words. I know he left us Happy and now he's at peace. He's up there with his dad and he'll be watching over his children and the rest of us. I believe that with all my heart. Love you Max.
