“ *I loved the way your mom laughed. And laughed. It was so delightful to sit in their living room and just talk. And talk.*

I'm sorry for your loss but happy for her gain.

“ *May was always a dear friend to me. We worked together at DL Evans bank in Burley for years. We served in several church callings together also and I had the privilege of being her visiting teacher for a while. I loved her happy disposition and sense of humor! She was fun to be around and easy to talk to. I admired her strong testimony and devotion to her family. She was so down-to-earth and an all-round wonderful person. I feel blessed to have known her. Rest In Peace dear May.*
