“ *I have a lot of fond memories with you. That laugh is one that I will never forget. When you laughed you made me laugh. Your personality was absolutely beautiful. You just knew how to walk into a room full of gloominess & brighten it all around. I love and miss you Meche! Thank you for being such a positive great spirit !!!*

I think the last time i met you was when you and your mum, saili and some of you came on a trip to samoa. But even before that when you were younger, living in the Pesega compound, I will always remember you because of your huge and bubbly smile my dear niece. I'm so saddened that you were taken at such a young age and that you had left behind such a beautiful very young princess whom I'm sure your parents are taking care of with lots of love. Love you dearly Mechy and I'm so sad for your parents and siblings and for your little princess. May our good Lord grant you peace and happiness in his kingdom until we meet again. Big hugs and alofas from Samoa.
