“ I was Elder Christiansen's first missionary companion in the MTC. We actually had a third companion...Sister Ritchins for 3 weeks until they found someone that could companion with her. Elder Chriistiansen was always enthusiastic, smiling, and taught with a firm testimony. He was always a joy to be around. I was diagnosed with throat cancer in December of 2019 and went through a year of treatment and recovery in 2020 that was brutal. Michael reached out to me and gave me encouragement. He also shared his health challenges. I hadn't heard for a while so I reached out to see how he was doing and saw this obituary. May God be with us until we meet again old friend!

“ *I loved how kind Mike was and how he made you feel like he truly cared about everyone. I also loved hearing him bear his testimony and hearing about his mission to Switzerland. When Rob was serving on his mission there, Mike always asked about him and would relate things he remembered.*
