“ *Mitch always liked to make people laugh. I also remember him always carrying around Rubik's cubes and solving them in no time. We had some good times in high school, and the world lost him too young. We'll miss you Mitch*

“ Where to begin....Mitch was always that nerdy kid you couldn't get enough of. He was always making everyone around him smile. I remember Mitch always being there on rough days trying to cheer me up cracking lame jokes. He had the biggest heart growing. He was kind, loving, selfless, smart, funny! You will be greatly missed by so many!

“ Vicky and I became instant friends, which in turn made my connection with her family. Mitch had that humongous smile. I never saw him disrespect anyone. He was quiet around me, yet friendly. I remember him and his cousins playing and fishing in the Belvedere ditch in the Medicine Bow National Forest. Vicky was so proud of Mitch. I prayed for his recovery but God had other plans. The pain and suffering for him is no more and somehow we must learn to live here on earth without him. I truly believe he will watch over his loved ones and he will be there to greet them when their time comes. My thoughts and prayers.

“ Mitch and my brother was always trying to scare me and they got me more times than not. We all went to stay in my dads camper one night. They decided we was going to watch werewolf of London 🐺
👧 Then we decided to bate in a bigfoot. Well they had me so freaked out and made me walk to the house alone. The next morning we get up and they had made foot prints in the sand were we was bating Bigfoot 😂😂 and they put dog hair in the tree said it was Bigfoot hair. Man that is just one of many times they freaked me out. You will be so missed Mitch. ❤️❤️
