“ *What a great man. Every time I touched down in Utah you were always there to help me out with work. That time we spent working even though I smoked cigs. You never judged me. You continue to try to get me to church. Now I am strong and faithful to HF and the church. I appreciate and thankful for all our talks. As you looked out for me. I will look out for Moses jr. He is going to be a great man like you.*
