“ *On my first Sunday in the ward, before church even started that day, I got an email from Sister Brown, who was the relief society secretary. She welcomed me to the ward and listed all the announcements and upcoming events. It made me feel so welcome and loved. It was just a little thing, but I will never forget her kindness and how much I appreciated being noticed.*

“ So sorry to hear of Nancy's untimely passing. She and I were mission companions for three months in 1981, and had some great experiences together. One of my favorite memories of her is the day a swan rushed up out of a canal and chased her down the sidewalk! I was always impressed with her testimony, and her ability to talk with people. My thoughts and prayers are with you all.

“ *What a wonderful and spiritual person Nancy is. She always made feel like I could do anything. I remember when her and I watched someone home while they were gone for a while. She and I would have talks about the gospel and I loved hearing her testimony of how much she loved her mission and how much she loved Heavenly Father. She had a great impact on my life. Thanks to Brother and Sister Brown for raising an amazing person. What a great family. Love to you all.*
