

Nickolai Nelson

October 5, 1993 - November 6, 2024

“There’s a magic that’s yours, and it’s like nothing else. It’s something you shared just by being yourself”

The days seem longer since you left us on Nov. 6th in the early morning. Life has slowed down without you, now searching to fill the void. You came into our lives and gave us a purpose and to our surprise we became more patient and considerate toward others and you. We became the Butterfield tribe. I miss and reflect on those sleepless nights, taking care of you, our long morning routines, your contagious laugh, Glad ware lids, Cereal Bags and all the controlling things that made you, you. There will never be another as wonderfully all encompassing & unique as YOU! Our home will never be the same and nor will we. There was so much laughter between the tears, losing you hurts so much because we loved you so deeply. Now what remains is a sense of peace that you passed easily, and our hearts are full of the time we shared. Ooooooo, I love you, Kim

His village; Kimberly, Cody, Miley, Harley Butterfield and little Cody and all extended family members and those who loved him.

Nickolai loved being anywhere his village was. He developed relationships in his way, with people who found their special way to engage and gain his trust. Nickolai had an incredible relationship with Miley and Harley from the time

they were very born. He was fiercely protective of them, and nothing brightened his day more than their snuggles, rough play and interaction with him. Nickolai's laugh and "shake a leg" let others know he was the happiest he could be. He's like a Bear and shows he loves you with a slap, sorry tickle and another slap!

His relationship with Kim was truly extraordinary! Nickolai relied highly on her and trusted her in every way. She was his strongest advocate for his health, happiness and life experiences.

Nickolai loved teasing, camping, riding 4-wheelers, washboard roads, bounce houses, escalators, playing on the trampoline, being anywhere mom was, oh and the car wash. A million memories!

Special Thank you to those who were an intricate a part in Nickolais Life
Kathlean, Kristine, Lori, Sharon, Ashleigh, Jamie, Demi, Atalee, Paul, Yahel,
Chrysalis Team and so many others.

“ I am Nickolai's birth mom, Lenore. Nickolai lived with Kim and in her care was where he belonged. How blessed he was to have two moms and many who loved him. Thank you to all who were involved in raising him. It truly takes a village to raise a child. This mama loves you and fly high my baby boy.
