“ *I know that it is always hard to lose a parent, no matter how sick they are. How blessed we are to know that Kent and Nola are together again! Though they are older than me, i always thought they were the most beautiful couple, and had the best looking children. Nola was always so kind to me, as she was to everyone.*

“ *Nola was one of the sweetest, nicest, kindest people I have ever known. She was like a second Mom to me when I was growing up and she put up with a lot of “crap” with patience and love. If there is any goodness in my character, I owe much of it to her and her family. God has a beautiful place in heaven reserved for her.*

“ Nola and I were best friends from the time her family moved to Boxelder Street in Murray until we graduated from Murray High School in 1957. We had adventures in our back yard and neighborhood as well as the church activities in our Murray 8th ward. She went camping with our family on one occasion and we shared a mummy type sleeping bag which needless to say wasn't very comfortable. When we were in Jr. High we campaigned “Nola & Nelva for Cheerleaders”. We were very surprised when we won.

*I was very disappointed when Nola's family moved to another part of Murray but we still managed to get together often.*

*Nola was so supportive while I waited two years for my missionary to return and she was my bridesmaid when Arnold and I married on March 20, 1959. A short time later, Nola met Kent and after a whirlwind courtship, they were married in June and I was her bridesmaid. We continued to get together as we started our families. Todd and April came along and we had Dale and Karie. They loved to visit and see the Days' horse.*

*Then we moved to California but would still correspond and visit when we came back on vacations. We were in California for 30 years. In 1999 we moved back to Utah and built a home in Alpine. We were happy to be able to renew our friendship with Nola and Kent.*

*Now, after more than 65 years of friendship, it still feels like I have truly lost my best friend.*

*Our condolences to your family and know that you have lost a wonderful sister, mother, grandmother and great grandmother. I know that each of you have benefited from your relationship and will always remember her with love.*

*We will all miss her. Love, Nelva Griffiths*
