“ *When i think of my childhood i often think of Noa and the rest of his family. I went to primary/youth with Noa and the rest of his siblings back in West Valley, and I remember him mostly as a quiet kid but when asked he would share the most sincere thoughts on the lesson we were learning. Since then I always thought he was a humble person with a lot to offer, and no doubt he's on the other side continuing to offer all our passed loved ones that same sincerity. Though we weren't close my family loves you Noa, may your soul live on through eternity* □

“ We have known Noa for several years. He was very kind, quiet, reserved, respectful but overall an outstanding person. He was always welcomed in my home. My husband always knew when Noa would be coming over as the whole house was sparkling clean and some tasty food was cooking. Noa didn't like spicy food but he wouldn't complain, he would eat and and say it was the best Mexican food he ever ate as he downed a whole soda or 3. I know he loved my daughter with his whole heart and we will forever be grateful to him for it. I know my daughter loves him with her whole heart and always made sure he was loved unconditionally through everything and without judgement. She encouraged him and we all saw how Noa accomplished his goals one by one, I just wish he would have seen how far he had come and that he was worthy of all the blessings God had given him. I wish Noa would have seen what we all saw in him. I wish Noa knew how much we all loved him, I wish he could have seen himself through our eyes. We shared so many memories throughout the years and it's bittersweet to know that we will no longer make any new ones but it gives me great solace to know that he is no longer in pain and that his mother welcomed him home. Noa will forever live in our hearts, we will forever miss you Noa.
