“ *There is a lot to be said for a woman who can raise 5 daughters and manage to hang on to this crazy world for almost 95 years, but just one word stands out.... Strength. Grandma was a very strong woman but also had a very kind soul. She loved her family as best she could, and managed to ensure they all felt loved and important. I also feel very fortunate and thankful that my son, Neeko, was able to snag some memories with his great grandmother. Those are the lasting memories I will hold on to and reflect on for comfort in the coming days. You will never be forgotten grandma. Go give grandpa and Aunt Janice a big hug from Christopher, Joanne, and Neeko; we love you dearly and will carry your memories for years to come!*
