“ I am his grand daughter, Ive missed him so much, life hasn't been the greatest since he passed away, I miss him dearly, I wanna see him one more time. I want to be with him forever. but I know that I cant, cus he yk. He is my favorite grandpa, cus we always saw each other when my dad need to get to work. I love him so much, It breaks my heart when I see people grandpas, with them. I just want to see him one more time. I remember all of the things we did with each other like we went to Idaho, to go to the lava hot springs. We went to the family reunion and we always had fun, I remember when I used to sit on his lap while he is watching ncis, he had a rocking chair, I miss him so much, I never wanted to loose him, or even be in the picture where they took a picture of everyone sitting at his grave.

“ I am his grandson and I really wish we could have been closer like he could have been there to motivate me for my grades it's been 3 years and I miss him we had so many fun memories especially once I moved in with him in Lehi man I wish he saw me play High school sports and I wish he could be proud of me and guide me through life before he died. If I could get 5 more minutes with him I would make them count hugging him and telling him I love him gosh I miss him so much.

“ *Delwynn and Jackie built a great legacy during their time together on this earth. One that will continue throughout eternity. They taught important values through their quiet example. Delwynn will be remembered for his extreme kindness and interest he showed in people. He made people feel valued.*

“ *Delwynn and Jackie became parents-in-law when Scot married Amanda (Phillips) Ethington. They brought up an honorable son who added greatly to our family. His valued addition to our family came from the values taught to him by Delwynn and Jackie. We thank them both. We send our condolences and deep sympathy for Delwynn's loss. He will be missed in our family gatherings at Scot and Amanda's house.*
