“ *Mom,  
You'll never know how much you are missed. Words can never express how much I love you and how sad I am that you're gone. My heart aches everyday knowing that I can't pick up the phone and call you. You were my best friend. I'm sad You won't be able to see your grandchildren grow up. Our family's hearts are heavy we will never see your sweet smile, hear the ring in your voice, or receive another warm embrace. Your memory will live strong in us all, we love you so much. I hope you rest easy, that we send happiness your way. I love you.  
Your daughter,*
