

Patricia Lee Johnson

January 31, 1949 - October 18, 2021

Patricia Lee Johnson, age 72, passed away on October 18th, 2021 in her home in Riverton, UT with her family. She was born in Salt Lake City, UT to Patrick Gamingasco and Ida Bair. She married Dennis Weber in Salt Lake City, UT in 1969 and later divorced. She then married Robert E Johnson and later divorced.

Patricia hitchhiked with her friend Pam heading to California when she was 18 years old and got a job cleaning hotels where she met famous rock stars. She then returned to Utah where she met and married Dennis, and ran a successful childcare business out of her home while raising her three children John, Tami, and Patrick Weber. She was involved in the LDS church and was sealed to Dennis and her children. After her divorce from Dennis she attended schooling to become a certified nursing assistant (CNA) and worked at many different facilities and home health services. During this time she met and married Robert and gave birth to her fourth child Cynthia.

Patricia enjoyed loud music and singing. Her classic rock could be heard down the street. She also enjoyed cooking/baking, crocheting, and sewing. She enjoyed the outdoors when she was younger and had a great interest and love for animals and her fish. She was always entertained by true crime tv shows and books.

In 2006, she fell and broke her left hip which then aided in her health declining along with her diabetes. In her later years she fought through many instances of pain and disabilities that greatly impacted her life. She was very strong and courageous to deal with her declining health. She was resilient with a tremendously caring heart. She will be greatly missed by all those who have known her. We love you mom.

Patricia is survived by her children Johnny (Melissa) Weber, Tamara (Robert) Hagen, Patrick (Vanessa) Weber, Cynthia (Erek) Winnett, 17 grandchildren, 2 great granddaughters, her sister Colleen Winther, and many nieces and nephews.

Patricia is preceded in death by her parents Patrick and Ida, her siblings Geraldine Winters, Joy Palmer, and David Gamingasco.

“ *I'm so sorry to hear about aunt Patty's passing. I just found out today that I missed her service! I will always remember aunt Patty's contagious laugh. She always had a smile on her face and made you happy just being around her. She will be greatly missed! To my cousins - I'm so sorry for your loss! Thoughts and prayers to you all!*

“ *Patty was my first cousin. Our mothers were twins. I always known Patty to be loving and warm. She always spoke kindly and had the cutest soft giggle. You could tell when she was pleased. I don't think she had a mean bone in her body. When I visited Aunt Ida she usually was there. You knew she didn't feel good but she always had her darling smile and gentle giggle. I send my love to you all and pray you may feel comfort knowing she is with her mom and family and not in pain. Stay close to the Lord and He will strengthen you. We love you all and hope we can gather together and build our relationships. Your cousin, Marlene Richins Jones. PS my brother Larry's funeral was at the same time as Patty's in Alpine. Please excuse us for not being with you.*
