

Patricia Ann Sleater

October 4, 1950 - November 2, 2017

Patricia Ann Sleater, 67, passed away on November 2, 2017, in her home in Herriman, Utah. She was born on October 4, 1950, in Boise, ID to Grant and Elaine Cluff. She married Sonny Sleater in Salt Lake City, Utah on December 10, 1971.

Mango, as her grandkids called her, was great at listening and asking questions to help us find our own answers. She was always ready to help, but erred on the side of encouraging us to do it on our own. She celebrated our achievements, and was there for us in our defeats. She found ways to keep us close, especially when we didn't necessarily deserve it, but always gave us space to make our own choices. She excelled at drawing people closer to her by sincerely seeing and appreciating the good in them, there by influencing them for the better. She found and mastered the thing that matters most, to truly love those she came in contact with, and this is what we most admire and love about her.

Pat is survived by her husband Sonny; her children, Sidney Warnick (Ryan), Ryan Sleater (Tiffany), Wade Sleater (Shanda), and Jordan Shields (Jon); her grandchildren Cobe, London, and Kai Warnick; Morgan, Lauren, Hayden, Reagan, Maren, Jack, Oakland, and Tru Sleater; Solomon, Ivory, Channing, Bristol, and Enzo Sleater; Sunny and Nixon Shields. Additionally, she is survived by her brothers Stephen Cluff (Dixie), and David Cluff (Bonnie).

Pat was preceded in death by her parents, Grant and Elaine Cluff, and her brother Robert Cluff (Rowena).

Funeral Services will be held at the Herriman Mountain View Stake Center, 14068 South 5600 West Herriman, UT 84096 on Thursday, November 9, 2017 at 11am. The viewing will precede the funeral from 9 to 10:30am.

Thank you. To the family and friends who have been wonderful over the years and were of special support in this last year.

“ I have so many wonderful and beautiful memories of your mom. My favorite time with her was when we walked in the mornings. I have to admit I liked it best when it was just the two of us. We talked mostly about our children and the gospel. Her being two years older than I am had the most wisdom of the two of us, even though my two oldest were older than hers. One of times I talked to after she learned she was terminal (which she reminded me that we all are) I said when we meet again we can go on our walks again and she said no Patty, I plan on flying together I'm not walking. Lol. Of course we both laughed. I love my dear friend which is a sister to me. I always reminded her since she didn't have a sister I was her's. Until we meet again and we can go flying.
Our Love to Sonny, Sidney, Ryan, Wade and Jordan and the rest of the family. I will always remember her smile and laughter. ❤️🥰😊

“ I particularly appreciate Pat as a second mom to my children. She and Sonny spent many days in our home caring for our children as if they were their own. The memories of good times together bring such Joy in my heart and a smile on my face. Pat will be missed by all who were lucky enough to call her a friend, mom, grandma, or sister. We will cherish the memories of times shared together till we meet again. We love you Pat and Sonny.
