Patrick Ellis Archuletta

Born 2-15-65 passed away 10-21-25 surrounded by his loving sons. Son of Eda Jeanine Boyd Archuletta and Press 'Smokey' Archuletta. Patrick loved his family, skiing, music, boating, fishing and camping with his boys. He also loved attending all of their baseball, football and hockey games. He was a wonderful father, grandfather and a brilliant heavy equipment mechanic and machinist. He will live on through his posterity, sons Jerico, George and Jonah; five beautiful grandchildren, and one on the way. Patrick fought the good fight and kept the faith. We love you dad. We know you will continue to be a part of our lives here, until we meet again.

“ Your body may have lost the battle here Pat, but I know your spirit won the war. Your greatest contribution to this life is your three beautiful sons, and five grandchildren, of which you should be so proud!

I know by the grace and mercy of a loving Father in Heaven and His son Jesus Christ, you are now whole and free from the struggles of this mortal life, and that you'll be able to be a part of their lives in ways you couldn't before. I know, based on that same grace and mercy, you are with your mom and dad, and Press and Wendy.

You always did have a beautiful spirit and a carefree heart, not wanting to conform to the things of this world--that is what I loved most about you! Your heart was never set upon the things of this world. You were most content and at one with nature. I'll look out for our boys; it won't be hard--they're GOOD men, but help steer the effort when you can.

With love, Michele~
