“ *My father was the most humble and God fearing man that I have ever known still to this day. Everything I learned about the True Gospel of Jesus Christ and that we must always remember and love my dad but staying true to the faith and that no matter what shortcomings and sins and wrong choices that I make in this world and life time.*

I must always remember that that's what the atonement of of Savior Jesus Christ gave to all of us and that we can become clean again through true and faithful repentance through Jesus Christ and the help of the Holy Ghosts. Thank you Dad, for loving me and for never giving up on me and for teaching me to become the man I am today and that is Heavenly Father and Jesus Christ and the Holy Ghost first and Then Family and Education and Working to provide for my family. Thank you for watching over all us your kids and our Mother your eternal companion Meletai Kinikini, and all of your grandchildren too. Because all of us family can feel your Spirit when you come around us and protect from so dangerous moments that a lot of us family members have been going through with health issues, close to death accidents in our vehicles and homes etc: I pray that I can keep myself worthy so if the time comes and I am still living and the Great and beautiful day of the Savior Jesus Christ 2nd coming, and I can see you again as a resurrected person with a perfect body of flesh and bones and I know if live till the 2nd coming, I will be a very old man and you will look younger than I will lol. I love you DAD Paula KINIKINI for always & forever!!!
