“ *When Kim and I was little Grandpa and Grandma Key raised us for 5 years. I was 1 and Kim 2 when we moved there.*

One day Kim and I decided to play and we got into Papas car and was playing for a while. We got out and went into the house to eat..

It wasnt long after we hear a lot of commotion going outside. I will blame Kimi for releasing the hand brake. The car rolled down the hill, across the street into the neighbors house. I'm sure we got into a lot of trouble but I dont remember that part.

Grandpa called me Tilda growing up and grandma called me Matiti. I'm going to miss those two... Love you Papa.

“ When I became a teenager, I remember my parents always telling us that we had to go to our family reunions every year because you nvr know when Papa will pass away...

That was ovr 35 years ago!!! So throughout my youth we went to Missouri for our family reunions... By the time I hit 18 yrs old, I figured out that grandpa is gonna out live all of us...

My siblings and I always laugh when we reminisce of things that grandpa would say and do... He truly was the #1 OG...

Thank you for your example... How I would love to see the reunion between you and grandma...

Love you Papa!
