Don't think of him as gone

his journey's just begun, life holds so many facets-
this earth is only one.

Just think of him as resting

from the sorrows and the tears

in a place of warmth and comfort

Where there are no days and years.

Think how he must be wishing that we could know today, how nothing but our
sadness can really pass away.

And think of him as living In the hearts of those he touched for nothing loved is
ever lost - and he was loved so much -Ellen Brenneman
